The Investment of Ping An Group in Founder Group Restructuring Project

April 2021
Transaction Background & Rationale: To Invest in Large-sized and High-quality Restructuring Transaction

Transaction Background

- Founder Group is a state-controlled conglomerate with a nationwide footprint and strong brand awareness and influence founded by Peking University. However, as Founder Group and some of its subsidiaries have been faced with poor operation and insolvency due to external and internal factors in recent years, the court has ruled that a judicial procedure of restructuring will be initiated for the group company and its four major subsidiaries.

Investment Rationale

- This investment will drive Ping An Group to boost its strategic layout in the healthcare sector and enhance its healthcare ecosystem.
- Ping An Group will strive to achieve outstanding investments returns and social effects through this investment, which will further enhance its comprehensive strengths and corporate status.
- The proposed investment is in line with the major national strategies to encourage insurance funds to support the development of the real economy and to promote the reform of university-backed enterprises.
- Ping An Group’s experience in restructuring and special asset investment can help Founder Group to resolve its debt crisis and return to the track of sound and sustainable development.

Note: The restructuring entity refers to Founder Group Co., Ltd. and its 4 subsidiaries Founder Industry Holdings Co., Ltd., PKU Healthcare Industry Group Co., Ltd., Peking University Founder Information Industry Group Co., Ltd., and Peking University Resources Group Co., Ltd.
The proposed investment can further deepen Ping An Group's strategic layout in the medical and health industry and enhance its healthcare ecosystem.
Basic Transaction Elements

- **Investors:** Ping An Group (authorizing Ping An Life to participate), Huafa Group (representing Zhuhai SASAC) and SDG (authorizing Shenchao Technology to participate)

- **Restructuring method: Asset sale and takeover.** A new entity known as New Founder Group will be incorporated to retain the high-quality assets of Founder Group. Investors will acquire the equity of New Founder Group

- **Restructuring plan:** Ping An Group and Huafa Group or their designated entity will acquire the remaining not less than 73% stake in New Founder Group on a 7:3 split basis. Separately, SDG or its designated entity will independently undertake all the rights and interests of Founder Electronics held by the restructuring entity

- **Investment by Ping An Life:** Ping An Life will acquire 51.1%-70.0% stake in New Founder Group at a consideration of **RMB37.05bn-50.75bn with internal resources**
Core Assets to be Acquired: Medical & Healthcare and Finance

### Medical & Healthcare

- Relying on Peking University and Peking University Health Science Center, it has a healthcare service system consisting of Peking University International Hospital as the flagship hospital and over ten healthcare institutions, with more than 10,000 hospital beds.

- Peking University International Hospital has a total construction area of 440,000 square meters, a total investment of RMB 4.5 billion, 1,800 approved beds, and more than 60 medical clinical and medical technology departments. It is the first domestic hospital whose information system reaches Stage 7 of Healthcare Information and Management Systems Society in the US.

- Have PKU Healthcare IT, China’s first enterprise engaged in healthcare information technology, PKU Healthcare (000788.SZ), a key pharmaceutical enterprise in China, and a healthcare industrial park.

### Finance

<tr>
<td>■ Due to the large number of stakeholders involved, the transaction plan is very complicated. If there is a situation where the restructuring plan cannot be implemented, there is still uncertainty about whether the restructuring can be implemented smoothly. Also there is uncertainty about whether the daily management, business integration, coordinated development of New Founder Group can be implemented with Ping An Group smoothly. In addition, this restructuring may also involve insufficient disclosure of the relevant risks of the cooperation of the parties in the agreement and other unpredictable risks</td>
<td></td>
